Subject: Proposed new Pav. home page with the comment period deadline's new Jan. 15 date:

Hi everyone,

On this test page:

<http://wcmsprd-dev-staging4.epa.gov/region8/superfund/wy/pavillion/>

I changed the words "October 16, 2012" to "January 15, 2013."

Also, when you click on the words "Federal Register Notice announcing extension of public comment period," you are now taken to this page:

<http://www.regulations.gov/#!documentDetail;D=EPA-HQ-ORD-2011-0895-0246>

Previously that same linked text sent you to this page:

<http://www.gpo.gov/fdsys/pkg/FR-2012-03-29/html/2012-7574.htm>

Mike: I believe that Jim said that you were the main person to contact for approval. If you say it's OK, I'll quickly run it by Jim and get this published in a couple minutes.

Thanks, everyone!

Are you in the process of posting this, or providing a link to the FR website? We need to get the data for public comment period closure corrected to the new date of Jan 15 as soon as possible given that the 16th is today. Let me know what you need from me...

Fred -- is this the right notice? It refers to an Oct 16 extension.

Good morning -

I wanted to let you know that an item (extension of comment period) was published in today's Federal Register for your docket ORD-2011-0895

The FR was posted in FDMS and should momentarily be available to the public in Regulations.gov.

Thank you and have a great day!
